

## SUMMER DEVICE TAKE HOME PLANS

### Great News!

Wawasee students will be keeping their devices again over the summer months. Our **goal is to encourage and facilitate** continuous learning throughout the summer.

### Partnering with Community Libraries

**Wawasee is** partnering with local community libraries to **inform** students how to obtain access to eBooks for summer reading. Each Wawasee student is eligible for a free Evergreen card. Representatives from community libraries will work with schools to **help** students understand how to obtain a library card and check out eBooks through the community library systems. **Wawasee** school library eBooks will also be available for check out over the summer months.

### Summer Weekly Help Desk Times

To help support the summer take home program, **the media center at Wawasee High School** will be open from 3:30 PM to 6:30 PM each Wednesday with the exception of the 4th of July. Parents and/or their students will be able to come to get help with their computer devices or have them repaired if necessary. The late evenings will only be hosted at Wawasee High School.

### Paid Insurance

The Wawasee Community School Corporation will be providing insurance for all devices again. If parents are concerned about having the devices at home this summer, they can contact their building principal during regular school hours.

### Relocation

For students who are leaving our school district during the summer, they **must** return the device, charger, and case to the WCSC Central Office or Wawasee High School Technology Department. **Failure to return a device will result in turning over the full amount of the device and case to collections and/or small claims.**

### **NOTICE TO FUTURE 4th GRADE PARENTS:**

Third grade students will be turning in iPads to their classroom teachers and receiving the returned chromebooks from this year's seniors for next year. Those incoming **4th grade** students will be able to pick up their chromebooks from the high school tech center during regular school hours or on the weekly Wednesday Help Desk when they are ready to be distributed in June. **Parents will be notified when chromebooks are available after cleaning and servicing.** Devices not picked up can be obtained during registration in August.

**Wawasee Community Schools is excited to help provide this opportunity for our students and look forward to this new transition in education!** If you have questions, please feel free to contact your school office or Dee Blair, Technology Secretary, at 574-457-3147, ext. 2924 or [dblair@wawasee.k12.in.us](mailto:dblair@wawasee.k12.in.us).
