

Why Parents Matter

Parent Involvement Nights will be offered throughout the year with a Title I Parents' Rights Informational meeting happening in the fall.

The purpose of this meeting will be to provide parents with Title I information, explain curriculum used in our classrooms, and provide assistance in understanding the adopted state standards (College and Career Readiness Standards).

Parent nights may include:

Back to School Night and annual Title 1 meeting
Classroom and grade level parent information meetings
Family Nights
Dudes & Donuts
Muffins with My Fair Lady

Parent Advisory Committee Meetings:

PAC consists of parents of children from each grade level who come from varied socioeconomic and ethnicity backgrounds.

We strive to provide information that is sent home in an understandable format/language for parents, such as:

Classroom newsletters, monthly school newsletters, webpages, social media, emails, texts, phone calls, and conferences.

It is our goal to consider and respond to any parent suggestion as soon as possible and to provide support for parental involvement at the parent's request.

Why Parents Matter

We believe parents should know about the different forms of academic assessment used to measure students' progress.

NWEA—Grades K-5 test Fall, Winter, and Spring.

IREAD— for Grade 3

ISTEP Applied Skills and Multiple Choice for Grades 3, 4, and 5

Fountas & Pinnell Benchmark testing for Grade K, 1, and 2

STAR Early Literacy for Grade K & 1

Our goals:

- Each grade level in Grades 3-5 will raise its proficiency level by 3% points from Spring 2017 to Spring 2018 NWEA Language Usage RIT Scores.
- 75% of students in grades K-2 will meet an average level or above on their grade level writing prompt rubric.
- Each grade level in Grades 2-5 will raise its proficiency level by 3% points from Spring 2018 to Spring 2019 NWEA Reading RIT Scores.
- 70% of NWES students in grades K-1 will meet expected levels on the Fountas & Pinnell Benchmark Screening. (Current Rate is 67%)
- Each grade level in Grades 1-5 will raise its proficiency level by 3% points from Spring 2018 to Spring 2019 NWEA Math RIT Scores.
