## Bus Stop Information

Dear Wawasee Families,

The safety of our students is our highest priority. We need your help to ensure that all students are transported to and from school as safely and efficiently as possible.

- Please make sure students are out at the bus stop at least 5 minutes before the scheduled pick-up time.
- We try our best to be consistent with pick-up times, but the bus may arrive up to 5 minutes before or up to 5 minutes after the scheduled pick-up time.
- Bus drivers are instructed to stop at the designated pick-up point to look for students. If the student is not at the stop, the driver needs to continue on to keep the route running on time. Bus drivers cannot hold traffic or delay routes to wait for students that are not at the bus stop.
- We encourage parents to accompany their students to the bus stop. Parents are responsible for the safety of their children while walking to and from the bus stop and while waiting for the school bus.

Thank you,
